**Leader of the Council Cllr Mike Freer has great expectations for our Borough**

**'I want Barnet to be the pride of north London'**

When the Conservatives came to power in 2002 we had to spend huge amounts of time and effort sorting out the mess inherited from the former Lab/Lib council.

Now, however, in 2006, re-elected with a healthy majority, we can build on the successes of our last four years in office. I want to lead a dynamic Council that invests in the things that make YOUR quality of life better. So we'll be recycling even more and investing in pavements to bring them up to the quality of Barnet's roads. We'll be rebuilding our primary schools and focusing more effort on our most vulnerable citizens.

And we will continue our sound management of Barnet's finances - we never forget it is YOUR money and keeping Council Tax down is our top priority. I am committed to building an even cleaner, greener and better educated Barnet that we can all take pride in.
